

Business.GOV Seeks Partners

STATE AND MUNICIPAL COMPLIANCE PARTNERS WELCOME!

Business.gov is the official business link to the U.S. government. When re-launched in the fall, it will focus on compliance assistance information. Business.gov saves businesses time and money as the resource for compliance information, forms and contacts from multiple sources.

- Partner with Business.gov by providing links to your state or municipal compliance information.
- Save staff costs by helping businesses go to the right source of information, reducing “misdirected” calls to your staff.
- Contact Adjoa Oriyomi at SBA to start partnering with Business.gov.
